Principal's Message

We have had a busy month so far. We ended last month with the Thanksgiving break and our annual Faculty Turkey Bowl. We appreciate Smith's Foods in Lehi for donating 8 frozen turkeys to the school for the staff to slide them down the gym floor to try for a strike. Those that made the strike got to take home a turkey.

We celebrated our Reflection winners and were so pleased with all the hard work they put into their projects. Reflections is a great program to encourage student creativity and learning.

We have started a new tradition at Lehi Elementary with the Reflections contest. We have decided that each year the school will purchase a piece of art work from Reflections to be displayed in the school to celebrate the talented work of the students. The art work will be voted on by the staff and selected for display. This year's recipient of the Lehi Elementary Reflections Purchase Award is Kaitlin Scott. Thanks Kaitlin for your painting of the school.

We are pleased to announce that we have received \$2,500.00 from the 100% For Kids grant. This money will be coupled with the \$6,000.00 that we raised through the fundraiser to go towards a new Chromebook computer mobile lab.

This lab will allow us to get computers into the hands of more students for more learning engagement with advanced technologies. We kicked off the holiday season with our Band and Choir concerts. The students performed many holiday and traditional winter songs to the delight of the students and the parents who attended the concerts. Additionally, the choir performed at the Festival of Trees and did an amazing job. This is the first time Lehi Elementary has participated in the festival and it was a wonderful event. A huge thanks goes out to Mrs. Hiedi Neddles and Vangie Jones for directing the Band and the Choir as well as to the many parent volunteers who helped make these events memorable. We have 20 students participating in the

Shop with the Jazz Bear this year for Christmas. This is a program sponsored by Lehi High School and allows for selected students to go shopping with high school students under the supervision of school administrators and teachers to help those students have a more joyous holiday. The funds for this program were generated from the high school's annual Mascot Bowl in the fall. We would like to bid farewell to Mrs. Gottfredson who will be leaving us to stay home with her new baby.

We appreciate her contribution to Lehi Elementary, not only for being a wonderful 6th grade teacher, but for spearheading our Drama Club and getting it off the ground. She will be sorely miss. We are excited to have Mrs. Becky Dallin join our faculty to take Mrs. Gottfredson's class. Her positive and cheerful attitude will add to the class and to our faculty culture. Mrs. Dallin is excited to be a Lehi Lion. We at Lehi Elementary wish you all a very Happy Holiday and a prosperous New Year.
