

Linsay Ernst- AM Kinder

About me:

Hi! I'm Miss Ernst and I live in Eagle Mountain with my three dogs. We love to go to dog parks, on hikes, and watch movies together. I've taught kindergarten for 2 years and there is nothing better I can think of than to spend my days with your little one. They make my days brighter and give me happiness. I enjoy traveling with friends and family to experience new places and meet new people. Life is better surrounded by family, friends, and dogs. I know this school year will be amazing and filled with so much fun that together we will learn more than we think we can.
