1. Minute approval from 2/17/21 meeting - Hillary approved and 2nd motion Shayleen
2. District news - Joylin (absent)
3. Action Items - Hillary
 - Website compliance: most current bylaws (will be added by Sara), add draft minutes to the website. Add student success plan.
4. Trust Land - Dan
 - 20/21 Plan
 - Report on FINAL Zones of Regulation training by Gary on Feb 22nd. Created zones chart to put on student desks, developed chart for those visually impaired using textured materials. Adapt lessons to meet the needs of all learners. Met the OT goal to fulfill sensory needs.
 - Purchased a 3D printer and filament!! We are super excited about it!
 - Data review: Reading goal: for 60% of the students would meet the goal. After getting all the data from the teachers we had an average of 62.5% progress. WE met our Reading goal!!
 - Amendment: We have about \$5,000 to spend by the end of May. We are proposing to spend this money on equipment/materials/supplies to assist in classrooms on student OT goals with fine motor task boxes, as well as some sensory equipment in sensory regulation (swings, weighted items, bikes,

etc.) We are also considering assisting in their literacy goals to purchase additional devices (chromebooks/ipads) to increase access to literacy apps.
